

**Do your part  
to protect the  
environment.**

*Recycled for the Environment,  
Re-refined for Quality  
and Performance.  
In America's Heartland!*

*Made in America's Heartland*

*“Saving the environment  
one oil change at a time”*

**Would you be interested in purchasing oil for your vehicle that helps the United States reduce its dependency on foreign oil?**

**ProGuard® ECO** allows you to utilize a closed loop product that can be used over and over again. Your used oil is collected from this facility and is re-refined, then is returned as a product that is **BETTER THAN THE ORIGINAL!** It is truly a renewable petroleum resource and is the best and greenest use for used motor oil.

Introducing the newest addition to our API Approved **ProGuard®** product line, **ProGuard® ECO** – an advanced re-refined motor oil made from high quality segregated used motor oil feedstock that is re-refined right here in America's Heartland.

**ProGuard® ECO** passenger car motor oils are:

- API approved
- Meet or exceed all SM and GF-4 standards
- Only available through select installers
- Available in bulk, drum and pail containers to minimize its environmental footprint (**no more plastic bottles filling up the landfills**)

**ProGuard® ECO** passenger car motor oils are the best choice for your car and for the environment.

**ProGuard® ECO** is formulated with state-of-the-art additive technology which makes it possible for it to be blended with the maximum percentage of re-refined, hydrotreated, semi-synthetic Group II + base oils – oils that are refined in the newest refinery built right here in the Midwest. This refining process has been proven to significantly reduce greenhouse gasses (GHG).

The use of re-refined motor oil has been mandated by the federal government in 1998 and is currently used by the U.S. Military, U.S. Postal Service, U.S. Coast Guard, the CIA, the FBI and several state governments including California, New York, and Pennsylvania.

**Make THIS oil change and your NEXT oil change, a ProGuard ECO oil change!**
